

See The Difference When You Finance.

Vision correction procedures can be life changing for many patients. At WFCU Credit Union, our Laser Eye Surgery Loan Program offers pre-approved patients payment plan options to help finance their procedure.

6-MONTH, DEFERRED PAYMENT

Patient is required to pay off their loan in full within 6 months of the surgery date. Patient qualifies for 0% interest for the duration of the 6 month loan period. Extensions are not permitted.

OR

1, 2 OR 3-YEAR LOAN TERMS

First monthly payment is due 30 days after surgery date. Patient qualifies for 0% interest for the first 6 months, with the interest rate increasing to 9.90% thereafter. The loan is open and can be repaid in full at any time.

Our fast and simple loan application process entails 3 steps:

VISIT OUR WEBSITE

Loan Application

In less than 10 minutes, complete an online loan application with WFCU. You do not need to be a member to apply!

PLAN YOUR PAYMENTS

Approval Status

Once reviewed, our administration team will work with you to discuss your approval status, payment options and next steps.

BOOK YOUR PROCEDURE

Receipt of Funds

Funds are now available to pay the balance of the surgery, allowing you to move forward with your vision correction procedure!

Our financing process is simple and can provide you with loan approval within one business day of your application submission.* To get started, please visit www.wfcu.ca/visionpatients.

Please note a \$25 administration fee applies for single applications and \$30 administration fee for joint applications. Fees are deducted at funding.

Subject to qualified credit approval. Terms and conditions apply.
